MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Contract No. HF-B-5111E with Baird-Atomic, Inc., Cambridge, Mass., Project [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-B-5111E provides for the procurement of five (5) aircraft navigation sextants for the Department of the Air Force. The equipment is identical to that previously procured for Project AQUATONE and the Department of the Air Force from Baird-Atomic, Inc. under Contract Nos. B-5111A and HF-B-5111B.

25X1A

3. Contract No. HF-B-5111E is a straight Fixed Price contract in the amount of [REDACTED]. This amount is to be obligated during Fiscal Year 1958 from funds previously transferred to this Agency from the Air Force. By concurrence to this memorandum the Project Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

SECRET

5. Approval of Contract No. HF-B-5111E and execution thereof on behalf of the Agency by the authorized Project Contracting Officer is recommended.

SIGNED

25X1A [REDACTED]

Project Contracting Officer

CONCURRENCES:

25X1A [REDACTED]

Approval requested in  
Paragraph 5, granted.
